Please see the step-by-step directions on how to complete the fingerprinting process in order to process your criminal background check. <http://www.in.gov/pla/3241.htm>.

Criminal background checks must be obtained after you apply for your veterinary license with the Board and prior to the issuance of a license.

BASIS FOR LICENSURE

EXAMINATION – Based upon passing the North American Veterinary Licensing Examination (NAVLE) or the National Board Examination (NBE) and Clinical Competency Test (CCT).

ENDORSEMENT – If the applicant has not taken both the NBE and CCT or the NAVLE examination but has taken a state constructed examination, the applicant must provide proof that for the five (5) years immediately preceding filing an application with this Board that he/she has been a practicing veterinarian licensed in a state, territory, or district of the United States having license requirements, which are substantially equivalent.

The applicant who applies for licensure under this section bears the burden of proving the requirements of the state in which the applicant is currently licensed are equivalent to those requirements of the Board. The applicant shall submit any documentation, required by the Board, to determine whether the requirements of the other state are equivalent to the Board's.

JURISPRUDENCE EXAMINATION

All applicants for veterinary licensure are required to pass a jurisprudence examination. No applicant is exempt from this requirement.

After the approval of your application by the Board, you will be notified by email that you are eligible to take the jurisprudence examination. Upon notification from the applicant that they are ready to take the jurisprudence examination, the examination and instructions will be emailed to you. You will have fourteen (14) days from the date the email is sent to you with the Jurisprudence Examination and Instructions in order to complete the examination and return the required information to our office.

All applicants will be examined on the statutes and rules of Indiana related to the practice of veterinary medicine. This is a 30 question true-false and multiple-choice examination. Passing criteria is 75%. Statutes and Administrative Rules are available to download at www.pla.IN.gov.

TRANSCRIPTS, LETTERS OF COMPLETION, EXAMINATION SCORE REPORTS, ECFVG LETTERS & STATE VERIFICATIONS MUST BE SENT DIRECTLY FROM EACH ENTITY

CONTROLLED SUBSTANCE REGISTRATION (CSR)

The application for a CSR and instructions are available on the Board's website at www.pla.IN.gov. Please read the CSR instructions on how to complete the form and the fee required.

Applicants must have an active Indiana veterinary license before they can obtain an Indiana CSR. Veterinarians must hold one CSR in order to prescribe controlled substances in the State of Indiana. An additional, separate registration is required for each practice address at which a veterinarian physically possesses controlled substances to administer or dispense. A separate registration is NOT required for each place where a veterinarian merely prescribes controlled substances. One valid CSR is sufficient for a veterinarian to prescribe controlled substances throughout the State.

Applicants must use an Indiana practice address when applying for a CSR. The CSR can only be mailed to the address submitted on the application. A CSR will only be issued to a street address; post office boxes will not be acceptable unless accompanied by a street address. An application with an incomplete or out of state address will be returned. Veterinarians must notify the Indiana Professional Licensing Agency in writing of any change of address.

Applicants may apply for a CSR at the same time they apply for their veterinary license. However a CSR will not be issued until the applicant has met all criteria as listed within the CSR Instructions.

LICENSE EXPIRATION AND CONTINUING EDUCATION

All veterinary licenses expire on October 15th of odd numbered years. Practitioners are required to have completed forty (40) hours of continuing education acquired after October 15 of odd numbered years.

Continuing education is not required for the year in which the initial license was issued. Therefore, a person who was issued an original veterinary license between the date of October 15th odd numbered years and October 15th of even numbered years is only required to submit twenty (20) hours of continuing education.
